**** External Email ****

Generally, our practice has been to not display RP data on our public sites. I think if we did consume a service from them, we would load it into the site specific operational viewer.

Was this the potential solution to showing their data on the Story Map or are you guys still looking into working out getting a rest service from them?

Howdy,

I will be EU lead contact for Saturday and Sunday with Jon co-piloting as needed. My contact phone number is 940-300-1814.
